Get Your Camp On!

Parents (and grandparents) of current 5, 6 and 7th graders! Have you always wanted to send your child (and/or grandchild) to Jewish summer camp? There's never been a better summer to send first-time campers to one of 23 nonprofit Jewish overnight camps throughout Western North America.

The JWest Campership Program, now in its third year, awards financial incentives of up to \$2,500 over multiple years to first time campers from the 13 western states, who will enter grades 6-8 after camp. Here's what you do: enroll your child in a Jewish overnight camp for at least two weeks (12 days minimum), and if s/he is entering 6, 7 or 8th grade in the fall of '10, has never been to Jewish overnight camp before and is not currently a Jewish day school student, s/he will qualify! It's that easy! To learn more or to apply, visit www.onehappycamper.org. If you have friends or relatives who also meet the eligibility requirements, please help us spread the word! If you have any questions, feel free to contact the Foundation for Jewish Camp at 888-888-4819 or email jwest@jewishcamp.org.

At Jewish summer camp, campers develop confidence, independence and the ability to live and work together as a community. It's never too early to begin thinking about your young person's summer plans, and there is really nothing comparable to spending a summer with Jewish friends at camp. Your local recruiter can be reached @ 415-203-7888 or Val@novato.net.

The Foundation for Jewish Camp's JWest Campership Program is funded by the Jim Joseph Foundation
