

Tzedakah Opportunities for Supporting Peace and Dialogue in Israel

On July 19, I gave a sermon entitled: What Pledge Have We Broken? This sermon is posted here on my page. Here are the details for supporting both organizations that I mention in the sermon:

1. To contribute online to the Interreligious Coordinating Council, please go to: <http://icci.org.il>
2. To learn more about Rabbi Tamar Elad Applebaum's unique approach to Tzion, the Jerusalem spiritual community that she founded, go to: <http://www.cjvoices.org/article/re-dreaming-jerusalem>. To support this community, please direct your contributions to the Rabbi Susan Leider Discretionary Fund at Congregation Kol Shofar. All donations to this fund that are marked for Tzion will be forwarded to this community.

In our support for the state of Israel, may we all continue to pray for peace and engage in acts of Zionist activism. Rabbi Leider
