

Beit Binah *Madrichim* Application

*Madrichim*, literally meaning, "guides" is a program for teens to exercise Jewish leadership in the Beit Binah classroom. Under the supervision of the classroom teacher and the Director of Life Long Learning, *madrichim* are responsible to assist in the classroom, serve as tutors, work with small groups, prepare materials, run errands for the teacher, and to learn the fundamentals of classroom teaching skills. *Madrichim* must be included as members of Kol Shofar in good standing.
