

# SELLING OF HAMETZ

Complete and return this form before April 7, 2020

During Pesah, it is forbidden to eat or own hametz, and one should remove all hametz before Pesach. To avoid great financial loss, it is permitted to sell one's hametz to someone who is not Jewish and repurchase it after Pesach. You may appoint me as your agent to sell your hametz on your behalf by filling out form below.
